Clients may provide their own alcoholic and non-alcoholic beverages. Cost is \$4/person in attendance plus bartending fees as listed above. No charge for serving non-alcoholic beverages.

If RBC provides all alcoholic and non-alcoholic beverages, we will also provide taps and bar equipment, ice, cups, and mixers for the alcoholic beverages, and will handle set-up of bar and beverage areas. Non-alcoholic beverages will be \$2 each.

Bartender and beverages will arrive a minimum of 30 minutes before the start time of the event for set up.

An invoice will be provided at the conclusion of the event and is payable upon receipt unless other arrangements have been made. A nonrefundable deposit of at least \$100 is due no later than one week prior to the scheduled event. The deposit will be credited toward the final bill.
